EU Science Team:

Earlier today we received this congressional control correspondence. Please draft a response for our (NIC and my) review by NLT Friday, May 21st. Your draft response should be forwarded to the Documentation Unit for placement into proper AA OSWER letterhead. Once in letterhead form, the draft should also be reviewed by our OGC Desk.

Mark and Jim K. (at the NIC Interagency Solutions Workgroup): Can you guys work through your NOAA contact there to identify for me the right NOAA person with whom we should share, and as necessary, coordinate our response ?

Documentation Unit: Please add this control to your tracking log.
